

CERTIFIED NC LANDFILL OPERATOR TRAINING COURSE

**WEDNESDAY, SEPTEMBER 11, 2019
LANDFILL ADMINISTRATION BUILDING
HIGH POINT, NC**

This **1-day course** is NCDEQ approved and Landfill Operators may satisfy the requirements of G.S. 130A-309.25(c) by successfully completing it. This course is designed with the on-site operator in mind, and includes instruction in landfill operations, safety, environmental compliance, landfill basics, and design & permitting. NCDEQ requires that each MSW and C&D Landfill have a person on site with a manager's certification (or equivalent), or a person with an operator's certification (or equivalent) at all times when the site is open.

The class is limited to the first 25 registrants. Cost is only **\$100** which includes:

- All course materials
- Lunch
- All exam and certification fees (**We never charge you extra for these.**)

This class is jointly sponsored by the APWA-NC Solid Waste Division and the Education & Training Committee. For questions regarding the course content, please call Kristie Hooper, Jeff Fantell or other experienced staff at Joyce Training at 1-800-229-1182.
